Helena,

This is the follow-up on an action item from the CDISC FDA QRS Specific meeting on 9-Feb-21 regarding the submission of the CDISC QRS Supplement Subteam Research Request – HAMD 17. This replaces the original email on 18-Dec-20 describing this research request. The document is based on the research template provided by S. Wilson

Please let me know if you have any questions.  
Steve
