

# CDISC UK Network Face to Face

23<sup>rd</sup> June 2015

Kindly Sponsored by

*Strength through Collaboration*

# Agenda

- Paul Houston (CDISC) – CDISC Update and European Activity
- Donald Benoot (SGS) - The world upside down: The Impact of SDTM datasets on the build of your eCRF
- Davy Baele (IDDI) - Enhance the Quality of Your eCRF Standards Library
- Jenny Griffiths (Roche) - The Challenges of Standards Governance
- Break
- Gavin Winpenny (BDLS) - ADaM working group update
- Mike Collinson (Oracle) - Standards End to End
- Panel discussion
- Lunch
- Breakout sessions
- Closing remarks

# Breakout sessions

- 4 groups – colour label on your name badge
- 4 different stations, rotate round each one and spend 25 minutes asking questions to the presenters / committee members
- Please stay in your groups so you have the opportunity to visit each station
- Presenters will provide a brief summary at the end
- All feedback will be sent to CDISC E3C for further consideration

# Closing remarks

- Survey will be sent out for meeting feedback next week
- Next meeting will be a TC in autumn
