Focus more and more on SDTM

“Competitors”

- CDISC Public Discussion Forum
- CDISC Blog
- Linked-In Blogs (various)
- Twitter
- Facebook
- Open CDISC Forum
- PhUSE

Communication

Our concerns

- Not fully satisfying dialogue between user groups and CDISC teams and HQ
- Missing answers to our questions at the roundtable discussions

How to raise our voice?

- Structured contribution to the public reviews for the organization.
- Resourced Hotline from the organization

You are German speaking, willing to contribute, but not yet member?
