## CDISC UK NETWORK WIKI

Our portal is still available, but will eventually go off line. This has been replaced by our [wiki page](#)

The screenshot shows the home page of the CDISC UK Network Wiki. On the left is a sidebar with navigation options: Pages, Blog, Calendars, SPACE SHORTCUTS (including CDISC User Network Guide, CDISC User Network Operatio..., and File lists), PAGE TREE (including Administration, File lists, and Resources with a sub-item for 2015), and Space tools. The main content area features a title 'United Kingdom User Network Home' with a creation/modification date of June 28, 2018. Below the title is a large blue banner with the CDISC UK Network logo. A central 'Announcements' box lists several events: a 09:00-09:30 coffee break, a 09:30-10:00 network update by Mike Collinson and Jenny Griffiths, a 10:00-10:30 session on R U Submission Savvy? by Bhupendra Mistry and Kelly Mewes (Roche), and a 10:45-11:15 session on upgrading the CDASH library from v1.1 to v2.0 by Sandra Latorre (BDLS).
