CDISC Seeking Volunteers for Protocol Entities Team

The CDISC Protocol Entities is looking for additional volunteers to join a fun and dynamic team focused on harmonizing terms and definitions used within the context of the clinical study protocol. We are looking for individuals with experience in protocol writing and development, familiarity with interventional and/or observational study protocols (including epidemiological protocols), and an appreciation of and sensitivity to semantic distinctions.

Time commitment is about one hour per week. CDISC team volunteers may qualify for complimentary access to CDISC authorized, online training and public courses (space permitting).

To volunteer, please **log into your CDISC account** and visit the **Volunteer page**. If you do not have an account, please **create one**.

Details organization

- **Once per week**
- **Thursday**
- **One hour**

Volunteer

CDISC relies on the subject matter expertise of volunteers to create our data standards.

We invite you to join this effort.

Please review the following video and documents, which cover policies and procedures related to volunteering with CDISC.

CDISC website

- **Administrative Part**
- **Select Protocol entities**
- **Submit**

First Name *

Last Name *

Email *

Select the CDISC Standards Development team that you would like to join. *

- ADaM
- CDASH
- Controlled Terminology
- PGx
- QRS
- SDS
- SEND
- XML-Tech
- Medical Devices
- SDTM Biospecimens Team **
- Acute Kidney Injury
- Congestive heart Failure
- Crohn's Disease - Prevention and Diagnostics
- Crohn's Disease - Therapeutics and Management

Specify in which capacity you want to participate and explain why you want to be a volunteer. *

JOIN US

GUF Board is also looking for volunteers

- ❑ 1 or 2 positions will open to help us
- ❑ Join Us ! Why? So many reasons....
- ✓ Being a volunteer make you feel like you're a good person
- ✓ It's awesome to add extra stress in addition to your daily work
- ✓ Because you are passionate... (Joke 😊)
- ✓ More seriously... It's a great opportunity to be part of a wonderful team
