

San Diego CDISC Users Network

Micky Salgado-Gomez
PharmaStat
February 20, 2020

Pfizer
La Jolla, CA

THIS IS NOT THE INAUGURAL
MEETING

(but it *has* been a while)

San Diego CDISC Users Network: About

- Established 2011
- Modeled after pioneer networks – By users, For users
 - Bay Area CDISC Network (John Brega – 2001)
 - Washington DC CDISC Implementation Network (Jane Diefenbach -2006)
- The concept of a Users Network has evolved and is just as important today as in the early the early CDISC days

San Diego CDISC Users Network Goals

- Education
- Networking
- Share information about submission related regulatory topics
- Facilitate communication from CDISC to SD Users and SD Users to CDISC
- Assist in connecting knowledgeable volunteers with working groups
- Facilitate vetting CDISC work products
- Low to no-cost for members to attend network meetings
- Reasonable timing and travel for members to attend network meetings
- Reach a wide local audience to maximize all of the above
